Makeup:

- All students should wear stage makeup to ensure their faces won't get washed out under the stage lights (this should include blush, mascara and lipstick).
- You can go as far as adding foundation, eyeshadow and eyeliner as well.
- All students should wear the **Covergirl Outlast Brazen Raisin** lipstick.
 - You can purchase this at Walgreens, Walmart or Amazon.

Costumes:

- Please check the Costume Book or Band App for what your dancer needs for each class/costume.
- All tights, shoes, and jewelry should be purchased at our front desk to ensure they match.
- If your child's costume reads "necklace", and one came along with the costume, we do NOT mean for them to wear the necklace that was included. This means you will need to purchase a 3-row, rhinestone necklace from our front desk.
- The 3-row, rhinestone necklace, and earrings are the same as last year. You will not need to purchase new if you already have them.
- Please check the Band App for any alterations necessary for your dancer's costume. If there weren't any instructions posted, then no alterations are necessary. Please have all your alterations done in time for pictures.

Please email the studio with any questions regarding hair, makeup, or costumes.
