### Recital, Celebrating 50 Years of Excellence!

**June 8th - 9th:** Class pictures and recital!

Please click [HERE](#) to view the schedule for pictures and recital times.

Dancers will first go to the dance studio for their picture. It is important that everyone be here for pictures. Only individuals will be taken, but Jacob WILL be able to put together a group photo using the individual shots. We would love for the entire class to be in the group photo, even if you aren't purchasing one. After you get your picture taken, dancers will then head to the Carroll Football Stadium for their scheduled, class recital.

For more information regarding pictures with Photography by Fiscus please click [HERE](#).

Dancers need to come dressed and ready when they arrive to the stadium.

Ballet shoes or turners only, we will not be wearing tap shoes.

Dancers are welcome to wear their hair however they'd like since you have pictures immediately before your recital time.

75-90 minute combo classes will find in the picture schedule above the costume their dancer needs to be dressed in for pictures. This will be the dance we start their class recital with.

Guidelines regarding the use of the Carroll Football Stadium....

-We will be using the East side of the stadium only (side nearest the Merchants Baseball Field).

-Everyone will enter the southeast side, and exit the northeast side. Gates will be open so there is no communal touching.

-Please sanitize upon entrance.

-The restrooms and locker rooms will be closed.

-For dancers with costume changes, you will need to go to your car to change.

-Dancers will be spaced out 6ft. apart on the field for their dances and no formation changes will take place.

-Audience members need to be respectful of the social distancing guidelines and do their best to social distance themselves when in the stands.

-We will run each classes dance(s) and then they will be dismissed. We ask that dancers and audience exit once their class recital is done so we can allow the next class and their audience to enter.

We appreciate everyone's cooperation in making this recital, 50 Years of Excellence, one to remember! We are very excited to be able to hold our recital at the Carroll Football Stadium, and are very thankful to the Carroll Administration for their time to help us make this possible. What a way to celebrate 50 years!

**June 10th:** Competition pictures (check WhatsApp for the schedule)
