

**FUSION**  
**DANCE**  
CARROLL - IOWA

## Covid-19 Guidelines & Procedures for Fusion Dance-Carroll

Here at Fusion Dance-Carroll we strive to provide every dancer with a safe and positive environment, and an enjoyable experience.  
Welcome to the Fusion Family!

- Dancers will sanitize their hands immediately upon entering the studio.
- Dancers ONLY in the studio (except Mommy & Me Class).
  - If a younger dancer is struggling to enter the studio, one parent is able to assist in getting them into the building and comfortable enough to enter class.
- Dancers should arrive early. Please be on time when picking up your dancer, we cannot allow for any loitering.
  - Please follow the ONE-WAY arrows in our parking lot to ensure smooth and efficient drop-offs and pick-ups. Vehicles should enter from the West (Fareway side) and exit the East (radio station side).
  - There is no hanging out in the lobby. We need dancers to leave after their class time and return later during their next class time. We appreciate your understanding in this so we can transition our classes quickly and smoothly, and to help ensure social distancing.
- Dancers are allowed to bring in their dance bag and shoes. Please limit what your dancer brings to only ESSENTIAL items needed during their time at the studio.
- Masks are REQUIRED when entering and exiting the building, in the lobby, and when switching dance rooms. When the dancers are in their classes, masks will be OPTIONAL as social distancing will be enforced. Teachers and assistants will wear masks while teaching.
- Restrooms are open, but for emergency use ONLY. Please have your dancer go before coming to class.
- The Pick-Up Window will remain open for any office needs while holding in-studio classes. In case of inclement weather, we will allow anyone with office needs to enter the studio and be directed to the front desk. When weather chooses to cooperate, the Pick-Up Window will be the first available option to eliminate extra bodies in the studio.
- The studio will be frequently cleaned and disinfected.
- **If your dancer is showing signs of a fever, illness or have been in contact with someone with Covid-19, please stay home.**
- Dancers should be properly dressed for each class. Any colored leotard or tight-fitting outfit, tights and appropriate dance shoes are acceptable. *No t-shirts or sweatshirts in class. Ballet Technique class (a required competition class) requires a leotard, pink FOOTED tights, ballet shoes and hair in a bun.*
- Hair should be pulled back out of your dancers face.
- Please mark all shoes with your dancers name to prevent losses or mix-ups.
- Regular attendance is a must! Each student is important to the progress of the whole class. Interest is kept when there is progress and development. Irregular attendance slows both progress and development and causes a lack of interest.

**Thank you for your patience and understanding during this time.**

**We are excited to get back in the studio with our dancers!**
